

P.E.C.

Personal Expense Consultant

WE MAKE IT EASY FOR YOU TO TAKE CONTROL

P.E.C is a free, intuitive expense management app that helps individuals to track, manage, and optimize your expenses and income. With P.E.C, you can import OFX files or manually enter your transactions and get an overview of your finances. Based on your spending patterns, P.E.C provides personalized financial advice to help you make informed decisions.

Key Features:

- **Transaction importing:** P.E.C allows you to import your account activity from your bank or manually enter transactions.
- **Expense tracking:** The app enables you to categorize and track expenses and income via snapshots, providing an accurate picture of your financial situation.
- **Customizable categories:** P.E.C allows you to customize expense categories to fit your specific needs, making it easier to organize expenses.
- **Financial advice:** P.E.C provides personalized financial advice based on your spending habits and goals, helping you make informed decisions.
- **Database storage:** All your financial data is stored securely in an encrypted database for easy access and persistent storage.
